Subject: FOIA request

Dear FOIA Officer:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, I request copies of the following records:

- All documents (including but not limited to emails, memoranda, contracts, or agreements) related to the Village's contract with Amazon Ring
- All emails (including any and all attachments) sent to/received from email addresses associated with the ring.com domain from January 1, 2019 to present
- Any documents (including, but not limited to, emails, memos, guidances, or guidelines) containing any policies or procedures (including, but not limited to, procedures for obtaining video and policies regarding posting on the Neighbors app) regarding either the Neighbors app or RING cameras
- Documents (including, but not limited to, emails or memos) sufficient to show the Partnership Point of Contact, Press/Media Coordinator, Social Media Coordinator, Investigative Coordinator, and Community Relations Coordinator with regards to the RING agreement

The requested documents will be made available to the general public, and not for commercial purposes, in order to shed some light on these contracts with the Village (see, e.g., my blog post at <https://sgandlur.com/ring-map>, for more context on investigations into Amazon Ring).

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,
Shreyas Gandlur

Hello sir,

My name is Mike Dollear and I am a detective with the Alsip Police Department in Illinois. I received your information from John Parnitzke from Palos Heights PD regarding assistance in police investigations. I understand that we have to sign an MOU and can set geo-fences and request videos. The consumers then can consent to uploading the videos for use with our investigations. What would be the next step? I will be out of the office from 11:30am CST until 1:00PM CST today.

Subject: Ring MOU - Alsip Police Department, IL
Attachments: Ring MOU - Alsip Police Department, IL.pdf

Detective Dollear,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

Program Summary

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal by Ring is a free service offered to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (in response to videos or comments posted by the Neighbors community).
3. **Alerts** - Ability to post alerts based on proximity to the recipient, in the Neighbors app.
4. **Video Request** - Ability to request videos from Ring device owners who may have captured footage, that may be of help to you for new or active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is [REDACTED]. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email (hard copy is not required).

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles (full names and emails please)? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Detective Mike Dollear (mdollear@villageofalsip.org)
- Public Information Officer / Social Media Liaison - Detective Mike Dollear (mdollear@villageofalsip.org)
- Investigative (CID/Crime/Property Crime) - TBD
- Community Outreach Officer - TBD
- Social Media Coordinator - TBD

Thank you again for meeting with me. I look forward to working with you and Alsip Police Department.

Sincerely,

Rohit D. Murti

Community Partnerships Manager

Neighbors by Ring
Memorandum of Understanding

This agreement is entered into this 9th day of July, 2019 by and between Ring LLC ("Ring") and Alsip Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Alsip's ("Village") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - o Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - o Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to Village residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Good Morning Detective Dollear and Officer Merlo,

Reaching out to confirm that the in-app announcement has gone out and your Neighbors portal features will be fully active by EOD today. Coordinators and Early Adopters should receive email invitations so they can log in and begin using Neighbors Portal.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed.

Ring's PR team is copied on this email (via [REDACTED]) please be sure to connect with us if you receive any media inquiries.

Neighbors App PR Materials Folder ([click to access](#)) includes:

- Initial social media announcement templates (a great tool for informing the community)

- Key Neighbors App talking points
- Hi-res Neighbors App imagery

Guidelines

- All public facing messaging and materials that mention Ring and/or the Neighbors App must be approved by both parties
- Media inquiries and public requests for information about Ring or the Neighbors App should be flagged with both parties by contacting Ring's PR team via [REDACTED]
- Per Ring's company policy, we do not publicly disclose any app user or device owner data
- Neighbors Portal back-end features should not be shared with the public, including the law enforcement Neighbors Portal on desktop view, the heat map, sample video request emails or the video request process itself as they often contain sensitive investigative information

That's it for now! We'll be on standby for any questions and keep us posted on any plans for outreach.

All the best,

Anthony Modestine

Partner Success Associate

Subject: Ring<>Alsip Pre Onboarding Call Recap.

Hi Rocco and Mike,

Thank you for your time. Here is a recap of our discussion and the next steps for Alsip's Neighbors Portal onboarding:

1. Recap

Things I highly recommend:

- Designating 3-5 officers(Some that work weekends as well) to be active commenters.
- All Detectives should have access to Post LE Alert(Real-time crime & safety info)
- The more proactive you are w/ posting/commenting the better results you will see. (More neighbors wanting to share/more neighbors opting into Video Request)
- Every Officer should have access to the Portal. - Excel Sheet is below to fill out their info and which level of access.

Community Outreach - Post about Events (Coffee w/ Cop, NNO, Community Watch Events, etc) and Safety Tips

PIO/Social Media Coordinator - Post about Success Stories, Trending Issues, Wanted Suspects, Scams, Solicitors, BOLOS and anything that meets the criteria of crime/safety

Investigators - Post about their ongoing investigations/ all crimes

2. In-App Announcement

We will post an announcement in the Neighbors app for Alsip residents who are already on the app. This message is standard for all law enforcement agencies who join the Neighbors platform.

The message is simple: it comes from Ring, tells the community that we are excited to partner with Alsip PD, says APD can share crime and safety info with residents directly on the app, and ends with an encouragement that by working together we can make the Alsip community a safer community.

Attached is a sample of the in-app announcement. **Once approved, we can move forward with the training.**

[neighbors.ring\[REDACTED\]](#)

3. Public Announcements or Press/Media Inquiries

Once your in app announcement goes live, I will follow up with talking points and pre-approved social media posts. Until then, please refrain from posting publicly about the partnership.

Please reach out to Ring's PR Coordinator Morgan Culbertson [REDACTED] if media contacts you with questions about the partnership or the Neighbors app in the meantime.
